*"When Brothers Dwell Together In Unity"*

On August 12, 2003, we were devastated by the loss of Dave, Adam, Jonah and Jordan, when one of the boys fell into a raging river and in a final act of friendship the other three jumped in to try and save him without a moment of hesitation. For most of us, not a day goes by that we do not think of them. It was in their honor that the Baco Boys Fund was formed. The Baco Boys Fund is a non-profit organization formed to offer the summer camp experiences that meant so much to David, Adam, Jonah, and Jordan, to less fortunate children who otherwise might not be able to afford such an opportunity.

For the past sixteen summers, the Baco Boys Fund has been changing children's lives by sending children to sleepaway camp where they were able to learn, grow and have fun with their peers. At camp, where counselors teach and serve as excellent role models, all of our campers excelled at and they continue to thrive both at camp and at home from the experiences. Those close to our campers report that they are already counting down until next summer so they can return to camp and the friends they made. The Baco Boys Fund has made a commitment to each camper to sponsor them each and every summer until their time as a camper has run its course.

Thanks to our generous supports, children are given summer opportunities that many people often take for granted. Today, more than ever, we are reminded that there are numerous families who can use our help. Sending an underprivileged child to sleepaway camp not only gives a child the chance to grow into a strong, confident, and skilled adult, but it eases and enriches his or her family's lives as well.

Our vision is to share the summer camp experience with more and more children each year. The Baco Boys Fund is accepting applications for boys and girls between the ages of 9 and 12 who are interested in going to sleep away summer camp in Summer 2020 and the summers to follow.
